

Forest Hills Executive Board Agenda, all welcome
Thursday, November 17, 2005 @ 7:00PM
Meeting held at Tom Hamilton's, 23 Ridgeveiw Drive

Agenda

- 1 We need to confirm a chair for the committee to develop the 5 year plans for the Lake Crescent and Westwood Parks. Any volunteers?
- 2 Status of the Forest Hills Association web site.
- 3 Discuss the annual meeting. Are there any suggestions for a speaker or do we want to focus on the Park renovation projects and other neighborhood initiatives?
- 4 Do we want to begin a fund raising initiative to speed up the parks renovation schedule?
- 5 Tom has attached an article from the D&C a few weeks ago suggesting that neighbor hood associations have better buying power that each of us do as individuals. We already know this through the trash collection since 1942. I talked with Tim Swagler about this. He indicated that some 14 of us currently use his snow removal service at the average cost of \$14.00 per trip. If we approached him as an association, he would consider a group rate of +- \$10.00 per trip and we could probably request that he always use the snow blower which is easier on the lawn and produces less 'piles' of snow. Other possibilities are tree and lawn care, lawn mowing, etc.
- 6 Set date for next meeting and/or all meetings for 2006

Tom Hamilton
