### **EXECUTIVE COMMITTEE MEETING - 3/15/2007**

Attached to the back of this newsletter is a summary of the minutes from a recent Executive Committee Meeting held on March 15, 2007. As a reminder, Executive Committee meetings are open to all neighbors and are scheduled to occur the 2<sup>nd</sup> Thursday of every other month with the next meeting scheduled for May 10<sup>th</sup>. Special meetings may be called by the Board time to time as necessary. Check the website for dates, times and agendas.

### **ROAD WORK/ REFORESTATION UPDATE**

Tom Quinn spoke with Tom Beck of Perinton Department of Public Works on March 22. The Forest Hills neighborhood road repair work is still on schedule for this summer, the date has not been determined yet. The 3-4 week project will take place sometime between June and August of this year. Coring samples have been taken by an outside contractor (6" holes in the roadway), but the information has not yet been sent to the Town. Tom Beck restated that the road height is to remain at its present level.

The Lake Crescent dredging project is still planned for completion this summer and, as of yesterday, the Town had not set a

date to begin this work. Tom Beck stated that he would like to meet with the Lake Crescent project group and review what trees need to be removed to complete this project. Tom Quinn will arrange the meeting with all interested parties. The Town will finish grade and hydro-seed the berm after the soil has dried. Any questions should be addressed to Tom Quinn at 387-0694 or by email at [tquinn@rochester.rr.com](mailto:tquinn@rochester.rr.com).
