

# Forest Hills Neighborhood Association

## NEWSLETTER

### REFORESTATION / ROAD WORK UPDATE

For an update on the Forest Hills Reforestation Project and neighborhood road work, please refer to the attached minutes from the July 12th Executive Committee meeting. If you have any questions, please contact Tom Quinn at 387-0694.

### EXECUTIVE COMMITTEE MEETINGS

Executive Committee meetings are open to all neighbors. They occur on the second Thursday of every other month. The next meeting is scheduled for September 13th at 7:30 pm at Tom Quinn's house (30 Ridgeview Drive). A listing of meeting dates along with other information is posted on the neighborhood website under the "Calendar of Events" link. In the future, an email will be sent in advance of any upcoming meeting.

### NEIGHBORHOOD DIRECTORY

We are hoping to circulate an addendum to our neighborhood directory shortly. If you know of any changes that need to be made or, if you aren't sure whether your household is listed, please contact Alex Neubert (home number: 381-8446 or at [aneubert@frontiernet.net](mailto:aneubert@frontiernet.net)). Also, if you would like to be added to our email list,

please contact Alex – we promise not to bombard you with junk mail.

### GARAGE SALE

The bi-annual Forest Hills neighborhood garage sale will take place this year on Saturday, September 15<sup>th</sup> (rain or shine). Signs will be posted and an ad will be placed in the newspaper. The Association encourages that 10% of your revenue for the day be turned over to the Treasurer as a means to help the Association's bottom line. More details to follow as the date draws closer.

### HELP WANTED

If anyone is interested in coordinating this year's Fall picnic (which was initially scheduled for August 11<sup>th</sup> but has now tentatively been scheduled for Sunday, September 16<sup>th</sup>), please contact Tom Quinn.

### LASTLY ...

Please be neighborly and remember to pick up after your dogs when walking them through the neighborhood and remember, there is a leash law in effect.
